# Why Jackson Hole, Wyoming, is the perfect winter destination

It's not all about the slopes here, but they are a big deal.

At the bottom of the mountain in Teton Village, you'll find a variety of dining options within easy walking distance. Il Villaggio Osteria is everything you want in an Italian restaurant, including handmade pasta, woodfired pizza and an extensive selection of wine and craft cocktails. If you have dietary needs the gluten-free and vegan options are excellent.
