Where to Eat

Bin 22, 200 W Broadway

After a day of roaming, a glass of wine comes well-earned—and Bin 22, a bottle shop meets small plates restaurant is a top pick. Grab a spot at the bar and work your way through their remarkable wines by the glass menu. Before you leave, it's best to pick up a tub of Chad Horton's irresistible mini ice cream sandwiches as well—he's Fine Dining Restaurant Group's executive pastry chef, and his creations are legendary.
