If you've been to Jackson, Wyoming, you know it's a year-round destination. Just 12 miles separate the Town of Jackson, Wyoming, from [Jackson Hole](#), Wyoming, which is where the Teton Village and Jackson Hole Mountain Resort are located. Jackson sees more visitors during the warmer months, while Jackson Hole gets more visitors during winter. If you visit the Teton Village during summer, you'll experience a much different vibe than during ski season.

### Il Villaggio Osteria

Part of the Fine Dining Group, [Osteria](#) is an Italian restaurant and wine bar in Hotel Terra. Their pizzas and pasta are made in-house and are out-of-this-world delicious. The menu includes fan favorites like rosemary roasted olives, imported salamis and cheeses, crudo ahi tuna salad, bison short ribs, and Nutella cheesecake. They also have an extensive to-go menu.
