## TETON VILLAGE, WY

This Jackson Hole hamlet next to Grand Teton National Park has become summer's sweetest spot to saddle up and play.

### **The best pizza in the valley**

Il Villaggio Osteria serves housemade salumi and pastas, but it's the pizza that draws locals from Jackson. The crust is made of flour imported from Italy, then spun into pies—like the Guido Sarducci, which is topped with mascarpone cheese, button mushrooms, sausage, and wild arugula—and baked on a stone hearth. \$\$; 3335 W.
