The Kitchen

The Kitchen Jackson Hole

At The Kitchen, be prepared for fresh fish flown in from the coast and local meat all prepared with an innovative, Asian twist on modern cuisine. The refined restaurant offers a modern, angular dining room that provides an uncomplicated, natural dinner experience inside elegant architecture. In the summer, enjoy meals on a large outdoor deck and warm up the comfy dining room when the temps are still cool.

Fit for even the most discerning foodies, make sure not to miss The Kitchen on your trip into town.
