[details](#) 

My world is currently revolving around this [born to be ogled wedding](#). Because you see, when two wedding industry professionals plan a celebration that's all their own, well let's just say you know you're in for a [gallery goldmine](#). Straight from the lens of [Katy Gray Photography](#), these college sweethearts promised their forever in a ceremony that you're going to go gaga for. See it all unfold in [THE VAULT!](#)
