Following a recent trip to New York City, Gavin Fine returned wowed by the Wagyu burger—served with caramelized onions and American cheese—at [Ada's Place](#). According to the owner of Jackson Hole's [Fine Dining Restaurant Group](#), "The caramelized onions perfectly complement the tender, flavorful Wagyu beef used in the burger. It was the perfect snack to complement the tequila cocktails we enjoyed that night and probably one of the best burgers I've had in NYC!"
