Eat: Gavin Fine is the 38-year-old Danny Meyer of Jackson. His original place, **Rendezvous Bistro**, is Jackson's version of New York City's Pastis—an excellent burger, the only raw bar in town, great people-watching. His **Villaggio Osteria** turns out bubbly pizzas from its stone oven at the Hotel Terra in Teton Village. Then there's **Q Roadhouse**, his barbecue joint, and **The Kitchen**, his farm-to-table American place. For this winter, Fine converted an old downtown liquor store into a wine shop/wine bar that serves cheese, charcuterie, and tapas.
