After the last skiers come down Rendezvous and Apres Vous Mountains in April, [Jackson Hole, Wyoming](#) ever so briefly experiences its spring shoulder season—which is quickly followed by the bustling summer months. It's at this point that the Western town goes through a distinct shift from one tourism peak to the next and winter sports turn into hiking, biking, and rock climbing; snowshoeing and cross-country skiing tours switch to wildlife safaris with potential sightings of black bears and grizzlies.

Summer in Jackson Hole is far from a well-kept secret. Travelers, understandably, are drawn to the mountain town this time of year. Weather-wise, June through September is ideal for exploring Grand Teton National Park and Yellowstone; with Jackson Hole as your basecamp, you can even see them both over the [course of a single trip](#). The draw to the area is so strong, in fact, that in 2022, the [peak of summer travel](#) through Jackson Hole Airport surpassed the previous winter's apex. If you're planning a visit this summer, you'll want to book your accommodations soon, whether you want the five-star services of Caldera House or the adventure-focused amenities of Mountain Modern—there's a hotel for every type of traveler making their way to Jackson Hole.
