Eat

Roadhouse Brewing Co. is across the street from Jackson's antler-adorned Town Square and serves an impressively adventurous menu. From chorizo flatbread and bovine and swine bratwurst to gravlax and duck poutine, the menu will intrigue kids with varied palates. On the mountain, **Piste** is a must for its location atop the Bridger Gondola. The food makes it worthwhile. Don't forget to stop for warm waffles at **Corbet's Cabin** at the top of the tram.
