### 50. Wyoming: Cream + Sugar Scoop Shop

It might be new (opened on Jackson's Town Square in 2023), but the whimsical Cream + Sugar Scoop Shop has quickly cemented its place as a Wyoming essential. The handiwork of Gavin Fine and Fine Dining Restaurant Group, prolific local talent behind some of Jackson's most beloved restaurants, the scoop shop marks the first brick and mortar for the ice cream concept, offering an array of handmade frozen treats, in flavors like Mint Chocolate Chip, Huckleberry, Fresh Banana, and Vegan Coconut Vanilla. Don't sleep on the cute little ice cream sandwiches, either, like a huckleberry version, made with sweet cream ice cream and warm chocolate chip cookies.
