**The Cloudveil, Autograph Collection:** Located right on Town Square, [The Cloudveil](#) is conducive to exploring all of the restaurants, shops, and activities in downtown Jackson while simultaneously serving as the ultimate jumping-off point to the rest of the valley. Opened in May 2021, the 200-room property has a feeling of novelty paired with an unequivocal sense of place. The custom wood and leather furnishings, outdoor pool and hot tub, Peloton bikes, and chic rooftop terrace provide an elevated level of comfort, and the hotel's dedicated Pathfinders advise on all things Jackson Hole — including cross-country ski fittings with [Black Tie Ski Rentals](#) and the best hiking trails for beginners. As far as dining options, the on-site restaurant [The Bistro](#) has European-inspired breakfast, lunch, and dinner offerings, alongside an in-room dining menu.
