Jackson Hole is a top outdoors destination in summer and winter. Its vast, breathtaking scenery is full of gorgeous places to explore.

But did you know that JH is actually at its best in spring? It's true - shoulder season runs April-May, and you'll find lower prices and no crowds.

Read on for 10 ways to re-experience beautiful Jackson Hole.

8. Dining

Everything at [The Kitchen](#) is wonderful, with food by talented 28-year-old Santiago Kano, a true culinary artist. We highly recommend the honey-yuzu kosho glazed pork chop with butternut squash puree and collard greens, or - for a lighter option - the cucumber-basil snapper with cucumber broth and herb-farro salad. (Don't be surprised if you run into Harrison Ford while you're there.)
