**Surf journalist sees the light.**

*(In collaboration with Australia and New Zealand's best ever snow extravaganza Transfer Magazine and the re-re-born LodgeGrit...)*

When I walked up seeing every professional snowboarder participating in Natural Selection freely, happily mingling with the snowboard media, beer and the best sausages in the world courtesy of local sausage maker **Bovine & Swine**, a genuine air of excitement and camaraderie, I could not believe my eyes.

Snowboard journalists can actually talk to professional snowboarders while drinking free Fat Tire, eating bespoke sausages featuring bacon and blue cheese?
