**The Bistro at The Cloudveil / Jackson Hole.** The Cloudveil is the new and only hotel on Jackson Hole's Town Square. Nationally-acclaimed restaurateur, Gavin Fine of Fine Dining Group (The Kitchen, Il Villaggio Osteria, Bin22, and after a successful 20-year run, the former Rendezvous Bistro), brings his irrepressible spirit to European-inspired, sidewalk dining at The Cloudveil. With a seasonal, iconic menu and an expansive raw bar, it sings of the casual Parisian neighborhood bistros he knows and loves. B/L/D, cocktails, wine, whatever the time or mood, The Bistro at the Cloudveil is simply the place to meet and eat. [jhfnedining.com](http://jhfnedining.com)
